

To Our Valued Clients,

As you may know, our office has been closed due to Covid-19. We will be reopening our doors on *June 15, 2020* by appointment only.

To ensure our employee owners and clients safety we will be following the CDC's recommended guidelines.

- *All employee owners are required to wear a face mask.*
- *Employee owners will sanitize and disinfect shared surfaces frequently.*
- *We are limiting the number of employees in our office.*

We will require our clients to wear masks or facial coverings, wash/sanitize your hands before coming to the office, and — most importantly — if you are sick, please cancel your appointment.

To ensure employees and client's safety we will limit the number of clients in our office and will not be allowing clients to use shared common areas such as our lobby area, and bathrooms.

If you would like to make a payment, please visit your carrier's website or drop off your payment in our safety deposit box located outside the front door.

We are carefully monitoring the situation. The most important thing is to make sure we conduct business in a safe environment. If you have further questions, please contact your agent to schedule an appointment.
